

# Big Bocs Bwyd

## ACTION PLAN

### START GROWING FOOD

WHAT	WHEN	WHO
<i>Raise awareness of the benefits of growing food.</i>		
<i>Identify a location suitable for growing food.</i>		
<i>Consult with the council, community gardeners, allotment owners for advice on what to grow.</i>		
<i>Decide whether to plant in pots, the ground or raised beds. If necessary, design and build raised beds.</i>		
<i>Research soil types and prepare the soil for planting.</i>		
<i>Allocate spaces for growing to each year group/class.</i>		
<i>Agree on what each class/phase will grow.</i>		
<i>Make an annual plan of what needs doing in the garden. Agree upon roles and responsibilities.</i>		
<i>Identify parent and community volunteers who have an interest in growing food.</i>		
<i>Involve as many children as possible in the authentic learning experiences.</i>		
<i>Sell produce in the Big Bocs Bwyd.</i>		
<i>Cook with home grown ingredients.</i>		
<i>Identify links between growing food and Curriculum for Wales/Future Generations Act.</i>
